

## Oaktree Specialty Lending Corporation Announces First Fiscal Quarter 2019 Financial Results and Declares Distribution of \$0.095 Per Share

February 7, 2019

LOS ANGELES, CA, Feb. 07, 2019 (GLOBE NEWSWIRE) -- Oaktree Specialty Lending Corporation (NASDAQ: OCSL) ("Oaktree Specialty Lending" or the "Company"), a specialty finance company, today announced its unaudited financial results for the fiscal quarter ended December 31, 2018.

### Financial Highlights for the Quarter Ended December 31, 2018

- **Total investment income** of \$38.3 million (\$0.27 per share), up from \$38.2 million (\$0.27 per share) for the fourth fiscal quarter of 2018.
- **Net investment income** of \$17.3 million (\$0.12 per share), up from \$17.0 million (\$0.12 per share) for the fourth fiscal quarter of 2018.
- **Net asset value ("NAV") per share** of \$6.19, up from \$6.09 for the fourth fiscal quarter of 2018.
- **Originated** \$231.1 million of new investment commitments and received \$208.3 million of proceeds from prepayments, exits, other paydowns and sales.
- **A quarterly distribution was declared** of \$0.095 per share, payable on March 29, 2019 to stockholders of record on March 15, 2019.
- **Our Board of Directors approved the application of the modified asset coverage requirements** under the Investment Company Act of 1940, as amended (the "1940 Act"), to the Company. As a result, the Company's asset coverage requirements under the 1940 Act will be reduced from 200% to 150%, effective February 1, 2020.

Edgar Lee, Chief Executive Officer and Chief Investment Officer, said, "OCSL delivered another quarter of strong earnings, as well as the fourth consecutive quarter of increased NAV per share. We successfully exited non-core investments and added \$165 million of new investments that are consistent with our late cycle investment approach. Importantly, we remain focused on defensively positioning OCSL's portfolio and maintaining ample dry powder during this time of increased market volatility."

Matt Pendo, Chief Operating Officer, said, "We believe the modified asset coverage requirements, once applicable, will provide us with additional operational flexibility and improve our financial position. At this time, we do not anticipate increasing our leverage beyond our current target ratio range of 0.70x-0.85x debt-to-equity. Importantly, preliminary discussions with our bank group regarding this action by the Board of Directors have been positive."

### Distribution Declaration

The Board of Directors declared a quarterly distribution of \$0.095 per share, payable on March 29, 2019 to stockholders of record on March 15, 2019.

Distributions are paid primarily from distributable (taxable) income. To the extent taxable earnings for a fiscal taxable year fall below the total amount of distributions for that fiscal year, a portion of those distributions may be deemed a return of capital to the Company's stockholders.

Fourteen of these equity investments were in companies in which Oaktree Specialty Lending also had a debt investment.

It will also seek to redeploy non-income generating investments comprised of equity investments, limited partnership interests and loans currently on non-accrual status into proprietary investments with higher yields. Certain additional information on such categorization and the portfolio composition is included in investor presentations that the Company files with the Securities and Exchange Commission ("SEC").

### Liquidity and Capital Resources

As of December 31, 2018, the Company had \$56.7 million of cash and cash equivalents (including restricted cash), total principal value of debt outstanding of \$612.9 million and \$389.0 million of undrawn capacity on its credit facility, subject to borrowing base and other limitations. As of December 31, 2018, the Company's total leverage ratio was 0.70x debt-to-equity.

### Recent Developments

At a meeting held on February 1, 2019, the Company's Board of Directors, including a "required majority" of the directors, as defined in Section 57(o) of the 1940 Act, approved the application of the reduced asset coverage requirements in Section 61(a)(2) of the 1940 Act as being in the best interests of the Company and its stockholders. As a result of such approval, provided such approval is not later rescinded and the Company's compliance with certain disclosure requirements, the asset coverage required for the Company's senior securities will be 150% rather than 200% effective as of February 1, 2020. Upon effectiveness of the modified asset coverage requirements to the Company, the Company's investment adviser intends to reduce the base management fee to 1.0% on all assets financed using leverage above 1.0x debt-equity (without giving effect to any debentures issued by a small business investment company subsidiary).
