PROXY STATEMENT

2013 Annual Meeting of Stockholders

General

We are furnishing you this proxy statement in connection with the solicitation of proxies by our Board of Directors for the 2013 Annual Meeting of Stockholders (the “Annual Meeting”). We expect to first furnish this proxy statement and the accompanying form of proxy to stockholders on or about February 1, 2013. In this proxy statement, we refer to Fifth Street Finance Corp. as the “Company,” “FSC,” “we,” “our” or “us” and the Board of Directors as the “Board.” When we refer to FSC’s fiscal year, we mean the 12-month period ending September 30 or, if applicable, September 30 of the stated year (for example, fiscal year 2012 is October 1, 2011 through September 30, 2012).

We encourage you to vote your shares, either by voting in person at the Annual Meeting or by granting a proxy (*i.e.*, authorizing someone to vote your shares). If you properly sign and date the accompanying proxy card or otherwise provide voting instructions, either via the Internet or telephone, and the Company receives it in time for the Annual Meeting, the persons named as proxies will vote the shares registered directly in your name in the manner that you specified. **If you give no instructions on the proxy card, the shares covered by the proxy card will be voted FOR the election of the nominees as directors and FOR the other matters listed in the accompanying Notice of Annual Meeting of Stockholders.**

Annual Meeting Information

Date and Location

We will hold the Annual Meeting on March 14, 2013 at 10:00 a.m., local time, at our offices at 10 Bank Street, 12th Floor, White Plains, NY 10606.

Availability of Proxy and Annual Meeting Materials

This proxy statement and the accompanying annual report on Form 10-K for the year ended September 30, 2012 are also available at the following cookies-free website that can be accessed anonymously: www.proxyvote.com.

Purpose of Annual Meeting

At the Annual Meeting, you will be asked to vote on the following proposals:

1. To elect three directors of the Company, each of whom will serve until the 2016 Annual Meeting of Stockholders, or until their successors are duly elected and qualified;
2. To ratify the selection of PricewaterhouseCoopers LLP to serve as the Company’s independent registered public accounting firm for the Company for the fiscal year ending September 30, 2013;
3. To approve an amendment to the Restated Certificate of Incorporation of the Company to increase the number of authorized shares of common stock; and
4. To transact such other business as may properly come before the Annual Meeting and any adjournments or postponements.

Voting Information

Record Date and Voting Securities

The record date for the Annual Meeting is the close of business on January 18, 2013 (the “Record Date”). You may cast one vote for each share of common stock that you owned as of the Record Date. All shares of common stock have equal voting rights and we do not have, nor does our restated certificate of incorporation authorize us to issue, any other class of equity security. As of December 31, 2012, 105,943,185 shares of common stock were outstanding.

Quorum Required

A quorum must be present at the Annual Meeting for any business to be conducted. The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of common stock outstanding on the Record Date will constitute a quorum. Abstentions will be treated as shares present for quorum purposes. Shares for which brokers have not received voting instructions from the beneficial owner of the shares and do not have discretionary authority to vote the shares on certain proposals (which are considered “broker non-votes” with respect to such proposals) will be treated as shares present for quorum purposes.

If a quorum is not present at the Annual Meeting, the stockholders who are represented may adjourn the Annual Meeting until a quorum is present. The persons named as proxies will vote those proxies for such adjournment, unless marked to be voted against any proposal for which an adjournment is sought, to permit the further solicitation of proxies.

Submitting Voting Instructions for Shares Held Through a Broker

If you hold shares of common stock through a broker, bank or other nominee, you must follow the voting instructions you receive from your broker, bank or nominee. If you hold shares of common stock through a broker, bank or other nominee and you want to vote in person at the Annual Meeting, you must obtain a legal proxy from the record holder of your shares and present it at the Annual Meeting. If you do not vote in person at the Annual Meeting or submit voting instructions to your broker, your broker may still be permitted to vote your shares on certain routine matters. If your shares are held by a broker on your behalf and you do not instruct the broker as to how to vote these shares on proposals 1 and 3, the broker may not exercise discretion to vote for or against such proposals. These shares will not be counted as having been voted on such proposals. With respect to proposal 2, the broker may exercise its discretion to vote for or against that proposal in the absence of your instruction. **Please instruct your bank or broker so your vote can be counted.**

Authorizing a Proxy for Shares Held in Your Name

If you are a record holder of shares of common stock, you may authorize a proxy to vote on your behalf by mail, as described on the enclosed proxy card. Authorizing your proxy will not limit your right to vote in person at the Annual Meeting. A properly completed and submitted proxy will be voted in accordance with your instructions, unless you subsequently revoke your instructions. If you authorize a proxy without indicating your voting instructions, the proxyholder will vote your shares according to the Board’s recommendations. Stockholders of record may also vote either via the Internet or by telephone. Specific instructions to be followed by stockholders of record interested in voting via the Internet or telephone are shown on the enclosed proxy card. Internet and telephone voting procedures are designed to authenticate the stockholder’s identity and to allow stockholders to vote their shares and confirm that their instructions have been properly recorded. A stockholder that votes through the Internet should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, which will be borne by the stockholder.

Revoking Your Proxy

If you are a stockholder of record, you can revoke your proxy at any time before it is exercised by (1) delivering a written revocation notice prior to the Annual Meeting to our secretary, Bernard Berman, at Fifth Street Finance Corp., 10 Bank Street, 12th Floor, White Plains, NY 10606, Attention: Corporate Secretary; (2) submitting a later-dated proxy that we receive no later than the conclusion of voting at the Annual Meeting; or (3) voting in person at the Annual Meeting. If you hold shares of common stock through a broker, bank or other nominee, you must follow the instructions you receive from your nominee in order to revoke your voting instructions. Attending the Annual Meeting does not revoke your proxy unless you also vote in person at the Annual Meeting.

Internet and telephone procedures for voting and for revoking or changing a vote are designed to authenticate stockholders' identities, to allow stockholders to give their voting instructions and to confirm that stockholders' instructions have been properly recorded. A stockholder that votes through the Internet should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, which will be borne by the stockholder.

Votes Required

Election of directors. The affirmative vote of a majority of the votes cast at the Annual Meeting is required to elect each of the nominees as a director (*i.e.*, the number of shares voted "for" each of the nominees must exceed the number of votes "against" each of the nominees). Abstentions will not be included in determining the number of votes cast and, as a result, will have no effect on this proposal. Shares represented by broker non-votes are not considered entitled to vote and thus are not counted for purposes of determining whether the proposal has been approved.

Ratification of independent registered public accounting firm. The affirmative vote of a majority of the votes cast at the Annual Meeting is required to ratify the appointment of PricewaterhouseCoopers LLP to serve as the Company's independent registered public accounting firm (*i.e.*, the number of shares voted "for" the ratification of the appointment of PricewaterhouseCoopers LLP exceeds the number of votes "against" the ratification of the appointment of PricewaterhouseCoopers LLP). Abstentions will not be included in determining the number of votes cast and, as a result, will have no effect on this proposal. Because brokers will have discretionary authority to vote for the ratification of the selection of the Company's registered independent public accounting firm in the event that they do not receive voting instructions from the beneficial owner of the shares, there should not be any broker non-votes with respect this proposal.

Proposal to Amend the Restated Certificate of Incorporation of the Company to Increase the Number of Authorized Shares of Common Stock. The affirmative vote of a majority of the outstanding shares of our common stock is required to approve the proposal to amend the Restated Certificate of Incorporation of the Company to increase the number of authorized shares of common stock, from 150,000,000 to 250,000,000 shares. Abstentions and broker non-votes will have the same effect as votes against the proposal.

Information Regarding This Solicitation

The Company will bear the expense of the solicitation of proxies for the Annual Meeting. We have requested that brokers, nominees, fiduciaries and other persons holding shares in their names, or in the names of their nominees, which are beneficially owned by others, forward the proxy materials to, and obtain proxies from, such beneficial owners. We will reimburse such persons for their reasonable expenses in so doing.

In addition to the solicitation of proxies by the use of the mails, proxies may be solicited in person and by telephone or facsimile transmission by directors or officers of the Company or officers or employees of FSC, Inc., our administrator (without special compensation therefor).

The following table sets forth, as of December 31, 2012, the beneficial ownership of each current director, the nominees for director, the Company's executive officers, each person known to us to beneficially own 5% or more of the outstanding shares of our common stock, and the executive officers and directors as a group. Unless otherwise indicated, the Company believes that each beneficial owner set forth in the table has sole voting and investment power and has the same address as the Company. PROPOSAL 1 — ELECTION OF DIRECTORS

Our business and affairs are managed under the direction of our Board. Pursuant to our Amended and Restated By-laws, the Board may modify the number of members of the board of directors provided that the number of directors will not be fewer than five or greater than nine and that no decrease in the number of directors shall shorten the term of any incumbent director. The Board currently consists of eight members, of whom five are not “interested persons” of FSC, as defined in Section 2(a)(19) of the 1940 Act. The NASDAQ Stock Market (“NASDAQ”) requires that the Company maintain a majority of independent directors on the Board, and provides that a director of a business development company (“BDC”) shall be considered to be independent if he or she is not an “interested person” of the Company, as defined in Section 2(a)(19) of the 1940 Act.

Under our charter, our directors are divided into three classes. Each class of directors will hold office for a three-year term, and until his or her successor is duly elected and qualified. At each Annual Meeting, the successors to the class of directors whose terms expire at such meeting will be elected to hold office for a term expiring at the Annual Meeting of Stockholders held in the third year following the year of their election and until their successors have been duly elected and qualified or any director’s earlier resignation, death or removal.

Messrs. Dutkiewicz, Meyer and Ray have been nominated for re-election for three-year terms expiring in 2016. No person being nominated as a director is being proposed for election pursuant to any agreement or understanding between any such person and the Company. At our 2012 Annual Meeting, Messrs. Berman and Tannenbaum were re-elected to our Board of Directors and no director received a withhold/against vote of 10% or greater. On January 14, 2013, our Board of Directors increased the size of the Board to eight members and appointed Mr. Dimitrov to the Board, effective as of January 15, 2013, for a one-year term to serve until our 2014 Annual Meeting of Stockholders.

A stockholder can vote for or against each of the nominees or abstain from voting. Abstentions will not be included in determining the number of votes cast and, as a result, will have no effect on the election of directors. Shares represented by broker non-votes are not considered entitled to vote and thus are not counted for purposes

[Table of Contents](#)

of determining whether each of the nominees for election as a director have been elected. **In the absence of instructions to the contrary, it is the intention of the persons named as proxies to vote such proxy FOR the election of the nominees named below.** If a nominee should decline or be unable to serve as a director, it is intended that the proxy will be voted for the election of such person nominated as a replacement. The Board has no reason to believe that the persons named will be unable or unwilling to serve.

Our Board unanimously recommends a vote “FOR” this proposal.

Board Leadership Structure

Our Board of Directors monitors and performs an oversight role with respect to our business and affairs, including with respect to investment practices and performance, compliance with regulatory requirements and the services, expenses and performance of service providers to us. Among other things, our Board of Directors approves the appointment of our investment adviser and our officers, reviews and monitors the services and activities performed by our investment adviser and our executive officers and approves the engagement, and reviews the performance, of our independent registered public accounting firm.

Under our Amended and Restated By-laws, our Board of Directors may designate a chairman to preside over the meetings of the Board of Directors and meetings of the stockholders and to perform such other duties as may be assigned to him by the Board of Directors. We do not have a fixed policy as to whether the chairman of the Board of Directors should be an independent director and believe that we should maintain the flexibility to select the chairman and reorganize the leadership structure, from time to time, based on the criteria that is in our best interests and the best interests of our stockholders at such times. Our Board of Directors has established corporate governance procedures to guard against, among other things, an improperly constituted Board. Pursuant to our Corporate Governance Policy, whenever the chairman of the Board is not an independent director, the chairman of the Nominating and Corporate Governance Committee will act as the presiding independent director at meetings of the "Non-Management Directors" (which will include the independent directors and other directors who are not officers of the Company even though they may have another relationship to the Company or its management that prevents them from being independent directors).

Presently, Mr. Tannenbaum serves as the chairman of our Board of Directors and he is also our chief executive officer. We believe that Mr. Tannenbaum's history with our Company, familiarity with its investment platform, and extensive knowledge of the financial services industry qualify him to serve as the chairman of our

[Table of Contents](#)

Board of Directors. We believe that we are best served through this existing leadership structure, as Mr. Tannenbaum's relationship with our investment adviser provides an effective bridge and encourages an open dialogue between management and our Board of Directors, ensuring that these groups act with a common purpose.

Our Board of Directors does not currently have a designated lead independent director. We are aware of the potential conflicts that may arise when a non-independent director is chairman of the Board of Directors, but believe these potential conflicts are offset by our strong corporate governance practices. Our corporate governance practices includes regular meetings of the independent directors in executive session without the presence of interested directors and management, the establishment of Audit and Nominating and Corporate Governance Committees comprised solely of independent directors and the appointment of a chief compliance officer, with whom the independent directors meet with in executive session, for administering our compliance policies and procedures. While certain non-management members of our Board of Directors currently participate on the boards of directors of other public companies, we do not view their participation as excessive or as interfering with their duties on our Board of Directors.

Board's Role In Risk Oversight

Our Board of Directors performs its risk oversight function primarily through (i) its three committees, which report to the entire Board of Directors and are comprised solely of independent directors, and (ii) active monitoring of our chief compliance officer and our compliance policies and procedures.

As described below in more detail, the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee assist the Board of Directors in fulfilling its risk oversight responsibilities. The Audit Committee's risk oversight responsibilities include overseeing the Company's accounting and financial reporting processes, the Company's systems of internal controls regarding finance and accounting, and audits of the Company's financial statements, as well as the establishment of guidelines and making recommendations to our Board of Directors regarding the valuation of our loans and investments. The Compensation Committee's risk oversight responsibilities include reviewing and approving the reimbursement by the Company of the compensation of the Company's chief financial officer and his staff, and the staff of the Company's chief compliance officer. The Nominating and Corporate Governance Committee's risk oversight responsibilities include selecting, researching and nominating directors for election by our stockholders, developing and recommending to the Board of Directors a set of corporate governance principles and overseeing the evaluation of the Board of Directors and our management.

Our Board of Directors also performs its risk oversight responsibilities with the assistance of the Company's chief compliance officer. The Board of Directors annually reviews a written report from the chief compliance officer discussing the adequacy and effectiveness of the compliance policies and procedures of the Company and its service providers. The chief compliance officer's annual report addresses at a minimum (i) the operation of the compliance policies and procedures of the Company since the last report; (ii) any material changes to such policies and procedures since the last report; (iii) any recommendations for material changes to such policies and procedures as a result of the chief compliance officer's annual review; and (iv) any compliance matter that has occurred since the date of the last report about which the Board of Directors would reasonably need to know to oversee our compliance activities and risks. In addition, the chief compliance officer meets in executive session with the independent directors.

We believe that the role of our Board of Directors in risk oversight is effective and appropriate given the extensive regulation to which we are already subject as a BDC. As a BDC, we are required to comply with certain regulatory requirements that control the levels of risk in our business and operations. For example, we are limited in our ability to enter into transactions with our affiliates, including investing in any portfolio company in which one of our affiliates currently has an investment.

Transactions with Related Persons

We have entered into an investment advisory agreement with Fifth Street Management, our investment adviser. Fifth Street Management is controlled by Leonard M. Tannenbaum, its managing member and the chairman of our Board and our chief executive officer. Pursuant to the investment advisory agreement, fees payable to our investment adviser will be equal to (a) a base management fee of 2.0% of the value of our gross assets, which includes any borrowings for investment purposes and excludes cash and cash equivalents, and (b) an incentive fee based on our performance. The incentive fee consists of two parts. The first part is calculated and payable quarterly in arrears and equals 20% of our “Pre-Incentive Fee Net Investment Income” for the immediately preceding quarter, subject to a preferred return, or “hurdle,” and a “catch up” feature. The second part is determined and payable in arrears as of the end of each fiscal year (or upon termination of the investment advisory agreement) and equals 20% of our “Incentive Fee Capital Gains,” which equals our realized capital gains on a cumulative basis from inception through the end of the year, if any, computed net of all realized capital losses and unrealized capital depreciation on a cumulative basis, less the aggregate amount of any previously paid capital gain incentive fee.

The investment advisory agreement may be terminated by either party without penalty upon no fewer than 60 days’ written notice to the other. Since we entered into the investment advisory agreement in December 2007, we have paid our investment adviser \$8.4 million, \$13.7 million, \$20.0 million, \$36.5 million and \$45.8 million for the fiscal years ended September 30, 2008, 2009, 2010, 2011 and 2012, respectively, under the investment advisory agreement.

Pursuant to the administration agreement with FSC, Inc., which is controlled by Mr. Tannenbaum, FSC, Inc. provides administrative services to the Company, including office facilities and equipment, and clerical, bookkeeping and recordkeeping services at such facilities. Under the administration agreement, FSC, Inc. also performs or oversees the performance of the Company’s required administrative services, which includes being responsible for the financial records which the Company is required to maintain and preparing reports to the Company’s stockholders and reports filed with the SEC. In addition, FSC, Inc. assists the Company in determining and publishing the Company’s net asset value, overseeing the preparation and filing of the Company’s tax returns and the printing and dissemination of reports to the Company’s stockholders, and generally overseeing the payment of the Company’s expenses and the performance of administrative and professional services rendered to the Company by others. For providing these services, facilities and personnel, the Company reimburses FSC, Inc. the allocable portion of overhead and other expenses incurred by FSC, Inc. in performing its obligations under the administration agreement, including rent and the Company’s allocable portion of the costs of compensation and related expenses of the Company’s chief financial officer and chief compliance officer and their staffs. Such reimbursement is at cost, with no profit to, or markup by, FSC, Inc. FSC, Inc. has voluntarily determined to forgo receiving reimbursement for the services performed for the Company by its chief compliance officer. However, although FSC, Inc. currently intends to forgo its right to receive such reimbursement, it is under no obligation to do so and may cease to do so at any time in the future. FSC, Inc. may also offer to provide, on the Company’s behalf, managerial assistance to the Company’s portfolio companies. The administration agreement may be terminated by either party without penalty upon 60 days’ written notice to the other party. Since we entered into the administration agreement in December 2007, we have paid FSC, Inc. approximately \$1.6 million, \$1.3 million, \$2.0 million, \$2.9 million and \$3.9 million and for the fiscal years ended September 30, 2008, 2009, 2010, 2011 and 2012, respectively, under the administration agreement.

We have also entered into a license agreement with Fifth Street Capital LLC pursuant to which Fifth Street Capital LLC has agreed to grant us a non-exclusive, royalty-free license to use the name “Fifth Street.” Under this agreement, we have a right to use the “Fifth Street” name, for so long as Fifth Street Management LLC or one of its affiliates remains our investment adviser. Other than with respect to this limited license, we have no legal right to the “Fifth Street” name. Fifth Street Capital LLC is controlled by Mr. Tannenbaum, its managing member.

Review, Approval or Ratification of Transactions with Related Persons

Our independent directors are required to review and approve any transactions with related persons (as such term is defined in Item 404 of Regulation S-K).

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and persons who own 10% or more of our voting stock, to file reports of ownership and changes in ownership of our equity securities with the SEC. Directors, executive officers and 10% or more holders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. Based solely on a review of the copies of those forms furnished to us, or written representations that no such forms were required, we believe that our directors, executive officers and 10% or more beneficial owners complied with all Section 16(a) filing requirements during the year ended September 30, 2012.

Director Independence

In accordance with rules of NASDAQ, the Board annually determines the independence of each director. No director is considered independent unless the Board has determined that he or she has no material relationship with the Company. The Company monitors the status of its directors and officers through the activities of the Company’s Nominating and Corporate Governance Committee and through a questionnaire to be completed by each director no less frequently than annually, with updates periodically if information provided in the most recent questionnaire has changed.

In order to evaluate the materiality of any such relationship, the Board uses the definition of director independence set forth in the NASDAQ Listing Rules. Section 5605 provides that a director of a BDC shall be considered to be independent if he or she is not an “interested person” of the Company, as defined in Section 2(a)(19) of the 1940 Act. Section 2(a)(19) of the 1940 Act defines an “interested person” to include, among other things, any person who has, or within the last two years had, a material business or professional relationship with the Company.

The Board has determined that each of the directors is independent and has no relationship with the Company, except as a director and stockholder of the Company, with the exception of Messrs. Berman, Tannenbaum and Dimitrov. Messrs. Berman, Tannenbaum and Dimitrov are interested persons of the Company due to their positions as officers of the Company. During its assessment of director independence, the Board of Directors also considered that Mr. Tannenbaum served as a director of Einstein Noah Restaurant Group, Inc. from March 1999 through September 2007, where Mr. Dutkiewicz served as the chief financial officer from October 2003 until March 2010. The Board of Directors determined that Mr. Tannenbaum’s prior position on the board of directors does not impair Mr. Dutkiewicz’s status as an independent director.

Annual Evaluation

Our directors perform an evaluation, at least annually, of the effectiveness of the Board and its committees. This evaluation includes an annual questionnaire, as well as Board and Board committee discussion.

Board Meetings and Committees

Our Board met nine times during fiscal year 2012. Each director attended at least 75% of the total number of meetings of the Board and committees on which the director served that were held while the director was a member. The Board's standing committees are set forth below. Our directors are invited and encouraged to attend each Annual Meeting of Stockholders. None of our directors attended the 2012 Annual Meeting of Stockholders in person.

Communications with Directors

Stockholders and other interested parties may contact any member (or all members) of the Board by mail. To communicate with the Board, any individual directors or any group or committee of directors, correspondence should be addressed to the Board or any such individual directors or group or committee of directors by either name or title. All such correspondence should be sent to Fifth Street Finance Corp., 10 Bank Street, 12th Floor, White Plains, NY 10606, Attention: Corporate Secretary. Any communication to report potential issues regarding accounting, internal controls and other auditing matters will be directed to the Audit Committee. Appropriate personnel of the Company will review and sort through communications before forwarding them to the addressee(s).

Audit Committee

The Audit Committee is responsible for selecting, engaging and discharging our independent accountants, reviewing the plans, scope and results of the audit engagement with our independent accountants, approving professional services provided by our independent accountants (including compensation therefore), reviewing the independence of our independent accountants and reviewing the adequacy of our internal control over financial reporting, as well as establishing guidelines and making recommendations to our Board regarding the valuation of our loans and investments. Effective December 1, 2012, the Board eliminated the Valuation Committee and merged its responsibilities into the Audit Committee. The members of the Audit Committee are Messrs. Dunn, Dutkiewicz, Haney, Meyer and Ray, each of whom is not an interested person of us for purposes of the 1940 Act and is independent for purposes of the NASDAQ corporate governance regulations. Mr. Dutkiewicz serves as the chairman of the Audit Committee. Our Board of Directors has determined that Mr. Dutkiewicz is an "audit committee financial expert" as defined under SEC rules. The Audit Committee met eight times during the 2012 fiscal year.

A charter of the Audit Committee is available in print to any stockholder who requests it and it is also available on the Company's website at <http://ir.fifthstreetfinance.com/governance.cfm>.

Compensation Committee

The Compensation Committee is responsible for reviewing and approving the reimbursement by the Company of the compensation of the Company's chief financial officer and his staff, and the staff of the Company's chief compliance officer. The current members of the Compensation Committee are Messrs. Dunn, Meyer and Ray, each of whom is not an interested person of us for purposes of the 1940 Act and is independent for purposes of the NASDAQ corporate governance regulations. Mr. Ray serves as the chairman of the Compensation Committee. As discussed below, none of our executive officers are directly compensated by the Company. The Compensation Committee did not meet during the 2012 fiscal year.

A charter of the Compensation Committee is available in print to any stockholder who requests it and is also available on the Company's website at <http://ir.fifthstreetfinance.com/governance.cfm>.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is responsible for determining criteria for service on the Board, identifying, researching and nominating directors for election by our stockholders, selecting nominees to fill vacancies on our Board or a committee of the Board, developing and recommending to the Board a set of corporate governance principles and overseeing the self-evaluation of the Board and its committees and evaluation of our management. The Nominating and Corporate Governance Committee considers nominees properly recommended by our stockholders. The members of the Nominating and Corporate Governance Committee are Messrs. Dunn, Dutkiewicz, Haney, Meyer and Ray, each of whom is not an interested person of us for purposes of the 1940 Act and is independent for purposes of the NASDAQ corporate governance regulations. Mr. Dunn serves as the chairman of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee met one time during the 2012 fiscal year.

The Nominating and Corporate Governance Committee will consider qualified director nominees recommended by stockholders when such recommendations are submitted in accordance with our Amended and Restated By-laws and any other applicable law, rule or regulation regarding director nominations. Stockholders may submit candidates for nomination for our board of directors by writing to: Board of Directors, Fifth Street Finance Corp., 10 Bank Street, 12th Floor, White Plains, NY 10606. When submitting a nomination to us for consideration, a stockholder must provide certain information about each person whom the stockholder proposes to nominate for election as a director, including: (i) the name, age, business address and residence address of the person; (ii) the principal occupation or employment of the person; (iii) the class or series and number of shares of our capital stock owned beneficially or of record by the persons; and (iv) any other information relating to the person that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Exchange Act, and the rules and regulations promulgated thereunder. Such notice must be accompanied by the proposed nominee's written consent to be named as a nominee and to serve as a director if elected.

In evaluating director nominees, the Nominating and Corporate Governance Committee considers the following facts:

- the appropriate size and composition of our Board;
- our needs with respect to the particular talents and experience of our directors;
- the knowledge, skills and experience of nominees in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of our Board;
- the capacity and desire to serve as a member of our Board and to represent the balanced, best interests of our stockholders as a whole;
- experience with accounting rules and practices; and
- the desire to balance the considerable benefit of continuity with the periodic addition of the fresh perspective provided by new members.

The Nominating and Corporate Governance Committee's goal is to assemble a board of directors that brings us a variety of perspectives and skills derived from high quality business and professional experience.

Other than the foregoing, there are no stated minimum criteria for director nominees, although the Nominating and Corporate Governance Committee may also consider such other factors as it may deem are in our best interests and those of our stockholders. The Nominating and Corporate Governance Committee also believes it appropriate for certain key members of our management to participate as members of the Board. The Nominating and Corporate Governance Committee does not assign specific weights to particular criteria and no particular criterion is necessarily applicable to all prospective nominees. We believe that the backgrounds and

Table of Contents

qualifications of the directors, considered as a group, should provide a significant composite mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities. Our Board does not have a specific diversity policy, but considers diversity of race, religion, national origin, gender, sexual orientation, disability, cultural background and professional experiences in evaluating candidates for Board membership.

The Nominating and Corporate Governance Committee identifies nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to our business and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining a new perspective. If any member of the Board does not wish to continue in service or if the Nominating and Corporate Governance Committee or the Board decides not to re-nominate a member for re-election, the Nominating and Corporate Governance Committee identifies the desired skills and experience of a new nominee in light of the criteria above. Current members of the Nominating and Corporate Governance Committee and Board are polled for suggestions as to individuals meeting the criteria of the Nominating and Corporate Governance Committee. Research may also be performed to identify qualified individuals. We have not engaged third parties to identify or evaluate or assist in identifying potential nominees to the Board.

A charter of the Nominating and Corporate Governance Committee is available in print to any stockholder who requests it, and it is also available on the Company's website at <http://ir.fifthstreetfinance.com/governance.cfm>.

Valuation Committee

Effective December 1, 2012, the Board eliminated the Valuation Committee and merged its responsibilities into the Audit Committee. Prior to its elimination, the Valuation Committee established guidelines and made recommendations to our Board regarding the valuation of our loans and investments. The Valuation Committee met on six occasions during the 2012 fiscal year.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics which applies to, among others, our executive officers, including our Principal Executive Officer and Principal Financial Officer, as well as every officer, director and employee of the Company. Requests for copies should be sent in writing to Fifth Street Finance Corp., 10 Bank Street, 12th Floor, White Plains, NY 10606. The Company's Code of Business Conduct and Ethics is also available on our website at <http://ir.fifthstreetfinance.com/governance.cfm>.

If we make any substantive amendment to, or grant a waiver from, a provision of our Code of Business Conduct and Ethics, we will promptly disclose the nature of the amendment or waiver on our website at <http://ir.fifthstreetfinance.com/governance.cfm> as well as file a Form 8-K with the Securities and Exchange Commission.

Executive Compensation

None of our executive officers receive direct compensation from us. The compensation of the principals and other investment professionals of our investment adviser are paid by our investment adviser. Further, we are prohibited under the 1940 Act from issuing equity incentive compensation, including stock options, stock appreciation rights, restricted stock and stock, to our officers, directors and employees. Compensation paid to our chief financial officer and other support personnel is set by our administrator, FSC, Inc., and is subject to reimbursement by us of an allocable portion of such compensation for services rendered to us. FSC, Inc. has voluntarily determined to forgo receiving reimbursement for the services performed for us by our chief compliance officer, Bernard D. Berman. However, although FSC, Inc. currently intends to forgo its right to receive such reimbursement, it is under no obligation to do so and may cease to do so at any time in the future. During fiscal year 2012, we reimbursed FSC, Inc. approximately \$2.4 million for the allocable portion of compensation expenses incurred by FSC, Inc. on behalf of our chief financial officer and other support personnel, pursuant to the administration agreement with FSC, Inc.

(2) We do not maintain a stock or option plan, non-equity incentive plan or pension plan for our directors.

(3) Mr. Dimitrov was not a director in the year ended September 30, 2012.

For the fiscal year ended September 30, 2012, the independent directors received an annual retainer fee of (i) \$20,000, payable once per year if an independent director not on any committee attends at least 75% of the meetings held during the previous year, (ii) \$50,000, payable once per year if an independent director on one committee attends at least 75% of the meetings held the previous year, (iii) \$65,000, payable once per year if an independent director on two committees attends at least 75% of the meetings held the previous year, and (iv) \$75,000, payable once per year if an independent director on three committees attends at least 75% of the meetings held the previous year. In addition, the independent directors received \$2,500 for each Board meeting in which the director attended in person and \$1,000 for each Board meeting in which the director participated other than in person, and reimbursement of reasonable out-of-pocket expenses incurred in connection with attending each Board meeting. The independent directors also received \$1,000 for each Board committee meeting in which they attended in person and \$500 for each Board committee meeting in which they participated other than in person, plus reimbursement of reasonable out-of-pocket expenses incurred in connection with attending each committee meeting not held concurrently with a Board meeting.

In addition, the chairman of the Audit Committee and the chairman of the Valuation Committee each received an annual retainer of \$15,000, while the chairman of the Nominating and Corporate Governance Committee and the Compensation Committee each received an annual retainer of \$5,000. No compensation was paid to directors who are interested persons of us as defined in the 1940 Act.

Effective as of October 1, 2012, the annual retainer fee received by the independent directors was amended to \$85,000, payable once per year to independent directors that attend at least 75% of the meetings held the previous year.

PROPOSAL 2 — RATIFY THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE 2013 FISCAL YEAR

Upon the recommendation of the Audit Committee of the Board, the Board has appointed PricewaterhouseCoopers LLP (“PwC”) as the Company’s independent registered public accounting firm for the year ending September 30, 2013, subject to ratification by our stockholders.

It is expected that a representative of PwC will be present at the Annual Meeting and will have an opportunity to make a statement if he or she chooses and will be available to answer questions.

Independent Auditor’s Fees

The following table presents fees for professional services rendered by PwC for the fiscal years ended September 30, 2011 and 2012.

	2011	2012
Audit Fees	\$ 540,000	\$ 641,539
Audit-Related Fees	225,000	220,700
Aggregate Non-Audit Fees:		
Tax Fees	128,000	88,735
All Other Fees	—	—
Total Aggregate Non-Audit Fees	128,000⁽¹⁾	88,735⁽²⁾
Total Fees	\$ 893,000	\$ 950,974

(1) Non-audit fees represent 14.3% of total fees.

(2) Non-audit fees represent 9.3% of total fees.

Audit Fees. Audit fees consist of fees billed for professional services rendered for the audit of our year-end financial statements and services that are normally provided by our independent registered public accounting firm in connection with statutory and regulatory filings.

Audit-Related Fees. Audit-related services consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not reported under “Audit Fees.” These services include attest services that are not required by statute or regulation and consultations concerning financial accounting and reporting standards.

Tax Fees. Tax fees consist of fees billed for professional services for tax compliance. These services include assistance regarding federal, state, and local tax compliance.

All Other Fees. All other fees would include fees for products and services other than the services reported above.

Required Vote

The affirmative vote of a majority of the votes cast at the Annual Meeting in person or by proxy is required to approve this proposal. Abstentions will not be included in determining the number of votes cast and, as a result, will have no effect on this proposal. Because brokers will have discretionary authority to vote for the ratification of the selection of the Company’s registered independent public accounting firm in the event that they do not receive voting instructions from the beneficial owner of the shares, there should not be any broker non-votes with respect this proposal.

Our Board unanimously recommends a vote “FOR” this proposal. Proxies solicited by the Board will be voted “FOR” Proposal 2 unless otherwise instructed.

Audit Committee Report

As part of its oversight of the Company's financial statements, the Audit Committee reviewed and discussed with both management and the Company's independent registered public accounting firm all of the Company's financial statements filed with the SEC for each quarter during fiscal year 2012 and as of and for the year ended September 30, 2012. Management advised the Audit Committee that all financial statements were prepared in accordance with U.S. generally accepted accounting principles (GAAP), and reviewed significant accounting issues with the Audit Committee. The Audit Committee discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended (AICPA, Professional Standards, Vol. 1. AU section 380), as adopted by the Public Company Accounting Board in Rule 3200T. The independent registered public accounting firm also provided to the Audit Committee the written disclosures required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, and the Audit Committee discussed with the independent registered public accounting firm the firm's independence.

The Audit Committee of the Board has established a pre-approval policy that describes the permitted audit, audit-related, tax, and other services to be provided by PricewaterhouseCoopers LLP, the Company's independent registered public accounting firm. Pursuant to the policy, the Audit Committee pre-approves the audit and non-audit services performed by the independent registered public accounting firm in order to assure that the provision of such service does not impair the firm's independence.

Any requests for audit, audit-related, tax, and other services that have not received general pre-approval must be submitted to the Audit Committee for specific pre-approval, irrespective of the amount, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent registered public accounting firm to management.

The Audit Committee has reviewed the audit fees paid by the Company to the independent registered public accounting firm. It has also reviewed non-audit services and fees to assure compliance with the Company's and the Audit Committee's policies restricting the independent registered public accounting firm from performing services that might impair its independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the financial statements as of and for the year ended September 30, 2012, be included in the Company's Annual Report on Form 10-K for the year ended September 30, 2012, for filing with the SEC. The Audit Committee also recommended the selection of PricewaterhouseCoopers LLP to serve as the independent registered public accounting firm of the Company for the year ending September 30, 2013.

**PROPOSAL 3 — TO APPROVE AN AMENDMENT TO OUR RESTATED CERTIFICATE
OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK**

The Board recommends approval of the amendment to our Restated Certificate of Incorporation to increase the number of authorized shares of common stock, from 150,000,000 to 250,000,000 shares. On January 14, 2013, the Board unanimously approved this amendment, declared the amendment to be advisable and directed that the amendment be submitted to the stockholders for approval at the Annual Meeting.

Purposes and Effects of Increasing the Number of Authorized Shares

As amended, our Restated Certificate of Incorporation authorizes the issuance of up to 150,000,000 shares of common stock. As of December 31, 2012, there were 105,943,185 shares of the Company's common stock outstanding and 7,790,273 shares were reserved for issuance upon conversion of the \$115.0 million of convertible senior notes outstanding as of December 31, 2012.

The Board believes that it is desirable to have additional authorized shares of common stock available for possible future issuances. The Company has no agreements, commitments or plans with respect to the sale or issuance of any of the additional shares of common stock as to which authorization is sought.

If approved, this proposal would allow the Board to issue additional shares of common stock without further stockholder approval, unless required by applicable law or stock exchange rules. Although the Company has no specific plans at this time for use of the additional shares of common stock, having additional authorized shares of common stock available for issuance in the future would give the Company greater flexibility and would allow such shares to be issued without the expense and delay of a special stockholders' meeting or waiting until the next Annual Meeting of Stockholders. If the Company were unable to access the capital markets by issuing additional shares when attractive opportunities arise, the Company's ability to grow over time and to continue to pay dividends to stockholders could be adversely affected.

The additional common stock to be authorized will have rights identical to the currently outstanding common stock of the Company. This proposal will not affect the par value of the Company's common stock, which will remain at \$.01 per share. Under the Company's Restated Certificate of Incorporation, stockholders do not have preemptive rights to subscribe for additional securities which may be issued by the Company.

If the Company issues additional shares of common stock, or other securities convertible into common stock in the future, it could dilute the voting rights of existing holders of common stock and could also dilute earnings per share and net asset value per share of existing common stockholders. Such dilution to net asset value per share would occur only if we issued shares at a price below net asset value, which issuance would require the future approval of our common stockholders. In addition, if the Company issues additional shares of common stock, or other securities convertible into common stock in the future, the Company's investment adviser will receive greater fees as a result of the increased assets under management.

Certificate of Amendment

If approved, this amendment to the Company's Restated Certificate of Incorporation would become effective upon the filing of a certificate of amendment to the Company's Restated Certificate of Incorporation with the Secretary of State of Delaware, a form of which is attached as Exhibit A, which the Company would do promptly after the Annual Meeting. In such event, the Company's Restated Certificate of Incorporation would be amended to reflect the increase in the number of authorized shares of common stock.

Vote Required

The affirmative vote of a majority of our shares of common stock outstanding is required to approve the proposed amendment to the Company's Restated Certificate of Incorporation.

Our Board unanimously recommends a vote “FOR” this proposal. Proxies solicited by the Board will be voted “FOR” Proposal 3 unless otherwise instructed.
